**Opening Statement:** The following review in this petition seeks to address counts of domestic abuse, or otherwise significantly personal and child endangerment, enacted on both the complainant, [name of complainant], and one-year-old child of both the complainant and alleged, [name of alleged]. The purpose of this petition is to outline claim allegations brought against the alleged, [name of alleged], by Civil Court and Child Protective Services (CPS) under the judiciary system within the State of New York, or otherwise in addition to the judiciary system within the State of Delaware.

This motion serves to address seeking full custody for [child's name here] under the sole care of [name of complainant]], with considerations of visitation rights for childcare to the alleged, if granted under review by Civil Court and Child Protection Services (CPS) within the investigation of domestic abuse claims. The accused, [name of alleged], filed a motion to serve the complainant for similar custody rights through the State of Delaware.

**Summary of claims:** The allegations in opposition to the alleged, [name of alleged], are in regard to the *following claims* which will be brought under legal investigation for review: (1) Child endangerment in susceptibility to counts of physical abuse, (2) Child endangerment in susceptibility to counts of mental or psychological abuse, (3) Personal and/or physical counts of abuse, (4) Mental and/or psychological counts of abuse, (5) Composite of financial and personal property for reimbursement, and (6) Motion to receive financial assistance in form of child support from the alleged.
